Main Match Shotgun: Must be period correct double barrel, pump or lever action, 20 gauge or larger

Ammunition: May be loaded with smokeless powder and meet the minimum power requirements

Traditional

Two Main Match Pistols: Single Action Percussion cap and ball revolvers or cartridge revolvers with factory fixed or adjustable sights acceptable. Pistols can be a minimum of 32 calibre.

Main Match Rifle: Any period correct, exposed hammers, pistol calibre, lever or pump action, .32 calibre or greater

Main Match Shotgun: Must be period correct double barrel, pump or lever action, 20 gauge or larger

Ammunition: All ammunition must be loaded with Black Powder or Replica Black Powder.

Wild Bunch

Main Match Pistols: 45 ACP 1911 "Style" pistol, (is standard, we will allow other automatics) Single stack magazines, only load five rounds per magazine. No red dot or holo sights, no compensators, no barrel porting or magwells. Adjustable sights are OK, front strap checkering OK. Bumper pads are not normally allowed but I don't see a problem if that's all a shooter has are mags with bumper pads. They cannot be metal ie. weighted to aid in dropping out of the pistol. Shooter starts with magazine (five rounds max) in the pistol but no round chambered. So shooter must draw pistol and rack the slide to chamber the first round. Once the handgun portion is completed the pistol is staged on the table or prop, slide locked back with magazine empty or removed.

Main Match Rifle: Same firearms rules as Cowboy/Cowgirl for rifle.

Main Match Shotgun: Same firearms rules as Cowboy/Cowgirl for shotgun.

Holsters: standard holster.
